

Join us  
to launch  
WCER's newest  
center!

CENTER FOR RESEARCH ON  
**College-Workforce Transitions**

**Monday May 22, 2017 • 11:30am-1:30pm**  
**UW-Madison Education Building, Room 159, 1000 Bascom Mall**

**11:30 am Mission of CCWT, Robert Mathieu,  
Matthew T. Hora**

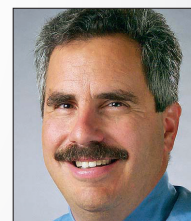

- Conduct translational research on student experiences with college-work transitions
- Foster local, regional and national community of scholars and practitioners
- Facilitate productive debates about the future of higher education

**Noon Inaugural Symposium: "Why Work Ethic  
and Self-regulated Learning are Essential  
for Student Success"**

**GUEST SPEAKERS**

**Jim Morgan**, a former longtime leader of Wisconsin Manufacturers and Commerce, now director of New Ventures, an initiative of the Management Association

**Linda Nilson**, an international expert in teaching, learning and faculty development, founding director of Clemson University's Office of Teaching, Effectiveness and Innovation

**Complimentary lunch served while supplies last!**

**The Center for Research on College-Workforce Transitions (CCWT)** conducts and supports research of student experiences during their transition from college to work. CCWT supports critical policy and public dialogue to help inform policies, programs and practices promoting academic and career success for all learners.

**Wisconsin Center for  
Education Research**
